Ministry in Sweden and Scandinavia

Arken´s Bible School "Yeshua heals and Restores"
gives a firm foundation in the Word of God, helps students establish a strong personal relationship with Yeshua and provides practical experience in ministering to people in the power of the Holy Spirit. The school offers a 3 year training program and a 1 year program for personal healing and restoration.

Our **Healing center** offers individual intercessory prayer, counseling, a telephone prayer line, Healing days and instruction courses for prayer teams and intercessors.

In addition **conferences and seminars** with speakers from different parts of the world are arranged every month. Twice a year we arrange our big **healing conference** "Yeshua Heals and Restores" where pastor Gunnar and Linda Bergling together with a big team of intercessors are minstering to people in the healing anointing.

Arken Bible Center also has a Media and TV production ministry, a Youth and children's ministry, Nursery and Primary schools, a Publishing House and a Christian Health Care Company.

International ministry

Arken currently operates in 13 countries through 24 ongoing missions projects building children´s homes, schools and clinics, supporting destitute children in slums, arranging pastors- and leadership training seminars and Bible courses and giving practical training in the biblical healing ministry. Our international ministry is built on longstanding personal relationships of transparency and trust with our partners.

Curch of the Glory of God in Minsk Belarus is a branch church of Arken with the same vision ministering in healing and restoration.
They offer a one year evening Bible School with the same concept as Arken.

In 2004 we felt the calling from God to carry the healing ministry to Israel. Since then we have arranged several healing conferences in different places in Israel.

Our desire and hope is to be a blessing to your congregation as we bring the good news, the Gospel of Yeshua the Messiah.
