

Arken Bible Center Ministries in Israel

Our ministry in Israel

The prophetic Words and equipment in the Holy Spirit to congregations in Israel

In Arken we have always had Israel close to our hearts and for many years we prayed about ways to bless Israel. During summer 2004 we felt the calling from God to carry the healing ministry to Israel.

Our desire and calling is to bless, encourage and support local congregations, pastors and leaders.

Some of the Prophetic words made alive were from:

Isaiah 30:26, Zechariah 12:10, Jeremiah 30:17 and Psalms 147:3.

We know the Jewish people has a long history of suffering and we need to always remember this. We can also see how the Lord reminds us of all the wonderful words and promises about healing and restoration. Healing of memories and traumatic experiences are, as we believe, connected to the possibility for the Jewish people to receive Yeshua as their Messiah. Yeshua has the passion to reach out his hands and heal the brokenhearted. We believe that God wants to equip congregations and believers in a supernatural way by the Holy Spirit and through his power give them ability to serve their people and fulfill the prophetic words.

Healing conferences

Since 2004 we have arranged several Healing conferences in different places in Israel where Messianic congregations were invited. In our Healing conferences we take much time to minister to people in prayer flowing in the healing anointing and the gifts of the Holy Spirit.

The next **Healing Conference will be arranged in Tel Aviv, May 18-19 2016** (see specific program).

Praise and worship will bring you before the throne of God and will lift your inner eyes to see the risen King, Yeshua the Messiah. The worship will bring an atmosphere of faith and you will enter into the presence of God.

The main **Bible teaching** will be on the foundation of Biblical healing ministry. The Word of God is a firm foundation that restores your relationship with Yeshua, builds up your faith, ministers deliverance and healing and the wonderful promises gives hope for the future.

Through **prayer and intercession** we minister healing and deliverance by the Word of God and the anointing that follows the gifts of the Holy Spirit. We minister both in individual prayer with laying on of hands and in a group through flowing in prayer where the leader is following the anointing of the Holy Spirit. We minister to people with great respect for the sick and needy.

Our Healing Conferences also includes **teaching and practical training** of intercessors and prayer teams from invited local Israeli congregations.

Teaching seminars and healing meetings

Pastor Linda Bergling and bible teachers, speakers and intercessors educated at Arken's Bible School will regularly visit congregations in Israel, holding shorter teaching seminars and meetings on the subject of biblical healing ministry and counseling founded in the reconciliation of Yeshua.

Pastor Linda Bergling will share her broad experience in starting and operating a healing ministry in a local congregation, how to start healing rooms for individual prayer, Healing days and retreats.

Some of the subjects that could be taught in a seminar are:

- the foundation of Biblical healing ministry
- the gifts of the Holy Spirit, how to minister in the healing anointing
- the prophetic words of healing belongs to the Jewish people
- restoration, healing and the calling from God
- healing for the brokenhearted, healing of the soul
- healing of memories, wounds and traumatic experiences is a gift of God given within the reconciliation of Yeshua the Messiah
- why is Biblical healing so important in a time of New Age and occultism?
- how to start healing centers/rooms in a local congregation

To taste the healing anointing

In Arken Bible Center we believe in signs and wonders. We love to see God's eternal love and power transform and restore people spiritually as well as healing their soul and body. We love the presence of God and the healing anointing and we wish all believers to live in a close love relationship with Yeshua. Here are some examples of how we minister in the healing anointing:

Inner prayer is a prayer where you submit your body, soul and spirit to Yeshua. This helps you to be still, receive his peace and always and in every situation in life be aware of his presence. This will help you to stay healthy in your personal life and in your ministry for God.

Flowing in prayer is prayer for a whole group of people where the leader is following the anointing of the Holy Spirit, praying out the Word of God and where intercessors help releasing the power of healing and deliverance through laying on of hands. We believe that the Holy Spirit will minister very specific and speak to every person through the inner conviction.

Healing days is to spend one to three days of rest in the transforming presence and love of God. The participants will stay in a restful environment where they can receive from God through short sessions of Bible teaching, personal testimonies, flowing in prayer in group, individual prayer sessions and fellowship where the participants share meals.

Encouraging pastors and leaders

In November 2015 pastor Linda Bergling personally met with forty pastors and leaders from local congregations in Israel encouraging them in the healing ministry and the love of Yeshua. Arken will continue to proclaim that we are standing together with our brothers and sisters in Israel, praying for and with each other, united in the same body, living stones in the same spiritual temple.

Practical training courses for intercessors and prayer teams

Our conferences and seminars includes teaching and practical training for intercessors and prayer teams from the local congregations, together with intercessors educated at the Arken Bible School. You will have opportunity to practice the Inner prayer, the Flowing in prayer and minister in Healing meetings and Healing days.

We would love to visit your congregation in Israel!
